T.A.S.S.

Arriving at Waide Motel

13 October

The narratives of the partner schools

14 October

We are working on:

- the idea and design of the **logo** of our project;
- the content, layout and design of our **project web-site; and**
- the main ideas of the **Partnership Agreement**

Partnership Agreement

- Each school should point out specific problems of pupils and one school should collect them and put them on the website
- Regular communication among schools
- Dare to write if you see

- Language: English
- Links to partner school websites
- two main topics:

team building ——— What has been done about this topic

theories practical teacher team building school team building

support strategies ———

teachers pupils parents management
